RHYTHM & ROOTS

For 20 years, I've been a DJ, starting with soulful and jazzy house in hotels and later embracing club sounds like tech house, funky house, hip-hop, and pop hits. I'm always open to exploring new genres such as Latin, Korean, and 90s music. I've performed at renowned festivals like Spicy Beach Rayong and Samila Beach Life Festival. Currently, you can find me captivating crowds at CRU Champagne Bar, Kliff Beach Club, and Horizon Rooftop Bar at Hilton Pattaya. With a commitment to evolving and creating memorable experiences, I continue to fuel the dance floor with my eclectic mix.
